HARBOUR 30

In May Harbour celebrates it's 25th anniversary. As we approach this significant milestone there is much to celebrate. Five years ago we declared a new vision for our future. Since then we have run into that vision and it has become our reality. It now guides and informs every area of our church.

As we have seen God work in the last 5 years it has only increased our anticipation of what he wants to do in the next five. Therefore, we are preparing to enter into a similar vision process as we attempt to discern together "What does God want Harbour to look like 5 years from now?"

This is a significant question – considerable time, people and financial energy will be expended over the next 5 years. We want to ensure all of these resources are focused and maximized to build God's kingdom and spread the Good News about Jesus Christ . This process of discerning God's vision for the future needs to involve everyone. That's why we, as a leadership team (elders and staff), are asking for your input. Would you search the scriptures, pray and ask God about Harbour30? Our desire is that every person who calls Harbour home would give input. We believe that God will speak to each of us as we seek His guidance.

Question # 1

Would you prayerfully consider the answer to this question and include scripture verses and thoughts as part of your response. Whether your answer is short or long it is important because it adds to the collective information that God wants to reveal to us.

What does God want Harbour to look like 5 years from now?

Question # 2

Every Church has as it's biblical mission to glorify God and make disciples, yet beyond that, each church also has specific defining strengths. If Harbour were to hire you to write a catch phrase or slogan that sums up the essence of our church what would it be?

Using just 2 — 4 words,
Write a slogan describing the essence of Harbour

_____

Harbour30 represents an exciting adventure for us as a church.
